Dear Honorable District Judge Jones,

Ref Case No: CIV-23-1011-J

JOAN KANE, CLERK
U.S. DIST. COURT, WESTERN DIST. OKLA.
By: Nassi Al Attamimi, Deputy Clerk

Sir, I am writing this letter seeking help with the problem I am having in my above mentioned case.

I am the Plaintiff and I am Incarcerated. Sir I work 60 hrs a week, 5:30 AM till 5:30 PM, M-F and I don't have time to go to the law library. So I rely on my law library app on my tablet which is West law.

Sir they at this facility have turned "off" my West law law library app so I can't properly respond to the Pleadings that the ODOC, lawyers are filing in Court. I am totally blind without that law library app and can not properly respond to the Defendants Motions.

Sir there are 2(two) options to fix this:

- 1.) Please have your secretary or you call down here to the facility and have them turn my law library app back on; ; Or
- 2.) Assign me Counsel whom don't have to worry about the Dept of Corr. turning off thier law library research.

Sir Please Help & Thank You,

Respectfully Submitted,
Chad William Reed
